

# Gravel Pit Laborer

Delta Sand and Gravel, Inc., is seeking a person with a good attitude to work in our sand and gravel processing facility at our Sunderland, MA location.

This position involves many summer hours, typically with a lay-off in the winter (but with some winter work possible). The most important skills you should possess (**and an absolute requirement**) are common sense, general mechanical abilities, **honesty, integrity, strong work ethic, ability to work with others, and the desire and ability to learn.**

This job is a basic "do what is needed" job depending on the time of year and general workload. Therefore, it is important that you either possess or can learn many different skills. It is rare that you will be performing the same tasks day-to-day. You should be in good physical shape, able to work outside in an often dusty environment, use a hand shovel, and be able to lift 75 pounds. Some tasks will be repetitive.

We are willing and expect to train the right job candidate. A background with any skills such as farming, construction, fabrication, mechanics, and equipment operation will serve as a good starting baseline for your on-the-job training.

## **Primary Responsibilities Include:**

- Daily Plant Cleanup and Housekeeping
- Assisting with Gravel Plant Maintenance
- Basic Mechanics/Fabrication/Welding (will train)
- Basic Property and Facilities Maintenance

## **The Right Candidate May Also Be A:**

- Backup Gravel Plant Operator
- Backup Class B CDL Dump Truck Driver
- Backup Mobile Equipment Operator

On-the-job training and licensing will be considered but experience with equipment and possession of a Class B CDL and/or a Class 2A/1B Hoisting License is a plus. The ability to safely operate a dump truck, water truck, front-end loader, skid-steer loader, forklift, carry-deck crane, and aerial lift will eventually be necessary.

Typical hours are from 6:30 AM to 4:00 PM with the ability to occasionally work earlier, stay later, or work Saturdays. 10-hour summer days are typical with paid overtime.

Delta provides a good work environment with excellent wages and benefits and is seeking a candidate looking for a long-term career position. We are an EEOE. Job start date is expected to be late March, 2019.

A job application can be found on our website, [www.delta-sand.com](http://www.delta-sand.com), and will be accepted by mail or in person at Delta Sand and Gravel, Inc., PO Box 395, Sunderland, MA 01375, or by emailing to [jobs@delta-sand.com](mailto:jobs@delta-sand.com).

**No phone calls please.** If available, please include personal references with contact information with your application.
